

IDENTIKEY Authentication Server

Virtual Classroom Learning

Duration: 3 day course (Excluding certification)

Date: 21/02/2013 - 28/02/2013 – 07/03/2013

Location: VASCO Webex (vasco.webex.com/meet/seal)

Language: English

Cost: €800 **Free One time Offer**

Overview

To be successful in selling VASCO products, it is important that you understand the VASCO product line and its positioning.

The goal of this training is to make you comfortable in understanding, selling and installing the VASCO IDENTIKEY product. Commercial and sales related input for correct product positioning and offering will be provided. The product features, advantages and benefits will be explained in detail. Hands-on sessions will be organised for a true product understanding. This training contains all information on the new IDENTIKEY 3.3 release.

Who Needs to Attend

This training is intended for:

- Engineers
- Consultants
- After-Sales Engineers
- Pre-Sales
- Product Managers

What You'll Learn
